- The weight room at BHS will be open throughout the summer on Tuesdays and Fridays from 8:00 a.m. to 9:00 a.m.
- These are not mandatory, but players are strongly encouraged to attend. Coach Nordic is our Strength & Conditioning Coach and he will be there to run these sessions.
- Even if players workout at other locations, I encourage them to attend during this time in order to begin developing teamwork, and to learn the specific techniques of the lifts that Coach Nordic has developed specifically to improve their ability on the soccer field.
- Players are also encouraged to participate in the highest level of soccer that they can in order to be prepared for next season.
- We may also be sending out some additional times for Player-Led Conditioning sessions. Again, not mandatory, but encouraged.
- Below is the email for Coach Lipscomb, if you have any questions, please email him directly, you will get an answer, even if incorrect it will be mildly entertaining.

- For players that did not make it, were unable to attend due to schedule conflict or injury, we will have supplemental tryouts in Oct./Nov. and as you were told at tryouts, there are always spots left open for this tryout.
