Standing Resolution I: **Philosophy & Tone**

[Top...](#)

As Amended: January 22, 2015

A. Coaching Objective

The Club encourages each Coach to adopt the philosophy of "Players First – Winning Second".

B. Words Vs. Actions

While it is easy to agree to the idea "Players First – Winning Second", putting it into action is often difficult. Some Coaches who say winning is least important don't behave that way when they Coach. When Coaches play only their best Players, when they play injured Players, or when they scream disparaging remarks at Players who have erred, they obviously believe winning is more important than Player development. Most problems occur when Coaches or Parents lose perspective and winning becomes the primary motive.

One Coach stated in his letter requesting to Coach a Competitive Team, that his goals in coaching soccer are to:

1. Promote sportsmanship
2. Make soccer fun and interesting to all
3. Develop fully the technical and tactical skills of each Player
4. Prepare each Player both physically and mentally so they will be able to perform at their full potential
5. Mold the Players, given their individual talents, into a team functioning as a single unit in which no one Player or position appears to be any more important than any other.

He went on to state that if you do these five things well, winning will take care of itself.

C. Referees

Refereeing soccer games is about making decisions. Was the Player's challenge fair or a foul? Was the handball intentional, or was the ball just kicked into a Player's hand? Did the high kick endanger another Player? Was the Player with the ball fouled, or did he fall because he was off balance? These are just some of the decisions that a referee must make during a game. On average, the referee must make three (3) decisions per minute, for the duration of the game. Even for the forty-eight (48) minutes of an under-8 game, that amounts to one hundred and forty four (144) decisions. It is also important to realize that the referee does not have an omnipotent view of the game, allowing him to see every foul. We urge you to try to make the referee's experience enjoyable too.

Refereeing, like life, is a learning process.

D. Coaching Assistance

As a Club, we are interested in the physical, psychological, and social development of all Players. To increase each Coach's proficiency at Coaching and teaching soccer skills, we have hired a Technical Director of Coaching (DOC) and Academy Director of Coaching (ADOC) to work with the Coaches Coordinator to provide opportunities for completion of an Oklahoma Soccer Association OSA Coach's certification course. The Technical Director of Coaching (DOC) and Academy Director of Coaching (ADOC) will also be available to discuss Coaching techniques and development of lesson plans. With the Board's approval, the Club will pay for any Module I or II course for any of our Coaches and an E and D level license for any U14 and above Recreational Coach upon presentation of documentation showing they have passed the course requirements. Any payment of Coach Licensing for FCB Competitive and Academy Coaches will be paid through the FCB Coach Assessment funds. In addition, if a Recreational Coach needs assistance in dealing with a Coaching situation, please contact the Coaches Coordinator or any Board Member. We recognize that the strength and success of this program lies with the Coaches.

E. Setting A Positive Image

The Club wants to promote a healthy, positive image for the youth within the program. With this positive image in mind, Coaches, Parents, Referees, and Players should refrain from the use of tobacco products, alcohol, aggressive or abusive behavior, or foul language when they are involved in Club events, which includes soccer practices and games. Firearms, knives, and controlled substances (or drugs) are also prohibited at Club events.

Standing Resolution II: **Payment Structure For Registration Fees**

[Top...](#)

As Amended: January 22, 2015

The fees for registering Players in the Club are:

A. Recreational/Academy League

The per season fee is set by the Board each season to cover the costs associated with Club operations. Uniform and personal equipment are not included in the Registration Fee.

B. Competitive League

The per season fee is set by the Board each season to cover the costs associated with Club operations. Uniform and personal equipment are not included in the Registration Fee.

C. Late Fee

A \$10.00 late fee will be assessed on all registrations accepted after the registration cut-off date.

D. Family Discount

The maximum a family can pay per season is for three (3) Players. If the family has both Recreational/Academy and Competitive Players, the Competitive Players will be used first in determining the maximum amount paid. The Competitive fee will be broken down into to a per-season value when determining the total cost.

E. Financial Aid

Recreational/Academy registrants that participate in the reduced or free lunch program at school will pay a fifty-percent (50%) reduced registration fee per season upon presentation of a current and valid school lunch letter at the time of registration. Competitive registrants will pay a fifty-percent (50%) reduced fee per year (Fall and Spring) upon presentation of the school lunch letter at the time of registration. If the registrant does not have a copy of the school lunch letter during registration, they will pay the full registration fee and receive a refund of half (1/2) the amount paid upon presentation of the school lunch letter to the Registrar.

Standing Resolution III: **Recreational & Academy Team & League Formation Guidelines**

[Top...](#)

As Amended: January 22, 2015

A. Intent

It is the Club's intent that Recreational and Academy Teams be formed in a consistent, fair, and equitable manner that complies with the Oklahoma Soccer Association's (OSA's) guidelines for team formation and minimizes the opportunity for manipulation.

B. Team Formation

1. Academy Teams

Academy Team Formation will occur under the supervision of the Academy Director of Coaching (ADOC). Each Academy Trainer will assess the Players at the beginning of the season and rate each on a scale of 1-4 (with 1 being the best). The players will then be divided into teams as equally as possible to ensure competitive game play. Reassessment and adjustment of teams throughout the season is permissible to maximize Player enjoyment.

2. Recreational Returning Players

Returning Academy Players who have been evaluated during the previous season with input from the game day Coaches, Academy trainers, the Technical Director of Coaching (DOC), Academy Director of Coaching (ADOC) and the Coaches Coordinator are assigned in a round-robin method to Teams and fine tuning is performed to balance the total rating of the team and the individual dimensions, e.g. one team doesn't end up with all higher rated Players.

3. Recreational New Players

New Players or Players who have not played the previous season will be placed by random draw, according to-age and school. Teams will be made up of a minimum of two (2) Players from a school when possible. A Player remaining in the same age division will be allowed to continue with the same team for which they played the previous season as long as they sign up on time and the Teams remain balanced.

4. Players Playing-Up

A Player moving up to an older age division becomes unaffiliated and will be assigned by random draw to a team using the existing team formation guidelines.

5. Player Requests

A Player or their Parents may request the Player not be placed on the same team as the preceding season, or not play for a particular Coach, providing that the request is made on or before the date the random draw takes place. The Player will then become unaffiliated and will be placed on a team by random draw or on a team with the least number of Players.

6. Late Registrations

Late Registrations could lose their priority for placement with the team they played on during the previous season. If this occurs, they are placed back in the random draw or on the team with the least number of Players at the time of the draw.

7. Games Committee

Team formation for each age division and category will be accomplished by members of the Games Committee who do not have a vested interest in the team composition within that age division and category.

8. Age Group Random Draws

The Games Committee has the right to random draw an entire age group when it is in the best interest of the Club. The Games Committee has the right to form pure age group Teams in the U8 and U10 divisions when there are at least 5 Teams in the division.

9. Optimum Player Per Team

The optimum number of Players for formation of a team are:

1. U6:	Minimum: 10 Players	Maximum: 12
2. U7:	Minimum: 6 Players	Maximum: 8
3. U8:	Minimum: 6 Players	Maximum: 8
4. U9:	Minimum: 8 Players	Maximum: 12
5. U10:	Minimum: 8 Players	Maximum: 12
6. U11:	Minimum: 11 Players	Maximum: 16
7. U12:	Minimum: 11 Players	Maximum: 16
8. U14:	Minimum: 15 Players	Maximum: 18
9. U16:	Minimum: 15 Players	Maximum: 18
10. U19:	Minimum: 15 Players	Maximum: 22

C. League Formation

If in the opinion of the Games Committee, with input from the Registrar, there

are too many Teams to be placed in a single league, multiple leagues will be formed.

The placement of Teams in each league will be established in the order in which the Teams are formed. The order of team formation is a random process and thus league formation is random.

The Games Committee will try to form leagues with an equal number of Teams to reduce byes. If the leagues cannot be made up of equal number of Teams, the first league formed will receive the larger number of Teams.

Example: If fourteen (14) Teams are formed in an age group and two (2) leagues are to be formed, the first eight (8) Teams formed will make up the "A" league and the second (2nd) six (6) Teams will make up the "B" league.

If there is an odd number of Teams in a league, an attempt will be made to schedule an extra game for those Teams with byes, thus ensuring an equal number of games played.

D. Late Registrants

Players signing up after the Club's registration deadline are considered a late registrant. Late registrants will be added to a waiting list in the order that they are received. In addition, a late fee will be assessed. Late registrants will be added to a team if available. Teams will not be reformed or adjusted to accommodate late registrants.

E. Playing Up Policy

The primary consideration when assessing a Player's suitability for Playing-Up is that they be deemed eligible and in accordance with the Oklahoma Soccer Association (OSA) Bylaws and Standing Resolutions. A Player that does not meet these criteria will not be considered by the Club for Playing-Up Approval until they become eligible pursuant to Oklahoma Soccer Association (OSA) rules.

1. Parental Request

The Club will consider a parent's request that their Player Play-Up if it places a hardship on the Player, parent or club for their Player to remain within their current age group. To do this, they would make their Academy Trainer, of their current age group, aware of their desire in writing.

2. Academy Trainer Request

Academy Trainers may make a Play-Up request based upon what they have observed during Academy practice sessions. The Academy Trainer

would be responsible for contacting the parent and making them aware of their opinion, but it would be the parent's decision whether or not to have them attend a Play-Up Assessment.

3. **Play-Up Assessment**

Players that have been identified via the aforementioned procedures would then need to be present for a Play-Up Assessment. Dates will be set by the Technical Director of Coaching (DOC) and the Academy Director of Coaching (ADOC) and communicated directly to the Player's Parents. Players must be present at the time of the Play-Up Assessment in order to be considered for a Playing-Up Approval. This Play-Up Assessment would be held prior to team formation for the following season and the freezing of rosters by the Oklahoma Soccer Association (OSA).

4. **Decision Making Process**

The decision for the Player being assessed will be based upon input from a three (3) person Play-Up Committee comprising of the Technical Director of Coaching (DOC), Academy Director of Coaching (ADOC), and the Academy Trainer or Coach of the age group they are being assessed for. The committee will make their decision based upon the following criteria:

1. **Player Skill:** Does the Player possess the necessary skill to be Competitive at the older age group and does it create an environment conducive to the overall development of the Player.
2. **Physical Development:** Is the Player physically developed enough that playing in the older age group does not present an unnecessary risk of injury.
3. **Team Formation/Roster Size:** The number of Players that will be moved up will be based upon, to some extent, the total number of Players at a given age group so as not to eliminate Teams forming out of their current age group nor to fill rosters beyond a reasonable number at the older age group.

5. **Determination**

The decision of the Play-Up Committee will be final and the Player will not be re-considered for Playing-Up Approval until the conclusion of the season year that they were assessed for. Players will be notified within one (1) week of the Play-Up Assessment of the committee's decision. In the event that one of the Play-Up Committee members may have a conflict of interest due to a pre-existing relationship with the Player being considered, the Competitive Coordinator would assume the responsibilities of the conflicted party.

F. **Players Playing Down**

The Oklahoma Soccer Association (OSA) Standing Resolutions specifically indicate that Players will not be allowed to play down.

G. Falsified Addresses or Birth Dates

False addresses or birth dates provided in order to influence placement with a particular team or Coach, will forfeit any fees paid and cancel the Player's registration.

H. Spring Season Team Formation

Teams are formed according to the guidelines in Standing Resolution III. B, with the following exceptions:

1. Players are returned to their team, if they sign up on time and Teams remained balanced.
2. If the team folds, Players from that team will be dispersed to other Teams.

C. Practice & Scrimmages

For Recreational Teams, unscheduled practices and scrimmages are prohibited. To keep the game fields in quality condition, we must limit non-game activity. Teams are allowed one scrimmage per team per season on the game fields at the discretion of the Field Scheduler. Fields are available on a first-come, first-serve basis with rescheduled games taking precedence over scrimmages. This stipulation does not apply to Academy Teams.

D. Game Cancellations

Requests for game cancellations, other than those canceled by the Club due to inclement weather, must be submitted to the Game/Referee Scheduler no later than seventy-two (72) hours (Noon Wednesday for Saturday Games, Noon Thursday for Sunday Games) prior to game time. Games canceled less than seventy-two (72) hours prior to game time are subject to a \$10.00 rescheduling fee. For games canceled with less than twenty-four (24) hours notice, the Coach shall pay the scheduled Referees their fee and the team will be responsible for the payment of the rescheduled referee without any reimbursement from the Club. Exceptions are at the discretion of the Game/Referee Re-Scheduler.

Examples of unacceptable reasons for cancellation:

1. Weather might be too cold or too hot or too wet. The Club will cancel games for severe or extreme weather conditions.
2. Team will be short Players. U14-19 Recreational Teams and U12 Competitive Teams are legal with 7 Players, U11 Competitive and U12 Recreational Teams are legal with 6 Players, U9-10 Teams are legal with 5 Players, and U7-8 Teams are legal with 3 Players. Subs are not a requirement to play a game.

In the case of late cancellations by the away team, the Club's Coaches should

inform the away Coach, there will be a \$10.00 field rescheduling fee. If the cancellation is within twenty-four (24) hours of game time, the Club's Coach shall notify the scheduled Referees and the Referee Re-Scheduler. If the Coach should fail to notify the scheduled Referees, the Coach shall pay the scheduled Referees their fee and the Team will also be responsible for the payment of the Re-Scheduled Referee without reimbursement from the Club.

Standing Resolution X: **Sideline Conduct**

[Top...](#)

As Amended: January 22, 2015

A. **Failure to Observe the Code of Conduct**

The Club strives to provide a positive environment in which the youth of our community can enjoy soccer. If you interfere with this by violating the Club's code of conduct, any Referee or Board Member may remind you of our code of conduct or ask you to leave.

You may be asked to leave the immediate area of the field or if circumstances warrant be sent to the parking lot. Failure to comply may result in the Bartlesville police being notified and/or suspension from future games.

1. Respect the authority of the Referee. **Do not** direct negative comments towards the Referee.
2. Refrain from negative comments to or about opposing Players, Parents, Coaches or Referees.
3. Don't Coach if you are not the Coach, it only confuses the kids.
4. Encourage and demand good sportsmanship from fellow Parents and Players.
5. Please, **do not** smoke or drink alcoholic beverages at the games.
6. Enjoy the game and encourage the Players.
7. We Care! We don't want adults interfering with the Players fun and enjoyment during games.

B. **Referee Abuse**

Candidates for Referee must take a nine (9) hour course then pass a fifty (50) question test to be certified as an **09** Referee. The Club provides the new Referee with a uniform and then mentors the new Referee. Referees take a three (3) hour recertification class every year. Upgrading to an **08** is an additional twelve (12) hour course and a one-hundred (100) question test. The Club spends a lot of time, money and effort developing our Referee corps. We take Referee abuse seriously.

Referees will make mistakes. Youth Referees learn by making mistakes, just as youth soccer Players learn by making mistakes. You can help the process by **not** yelling. If it is a one-time mistake, after the game the Coach may ask the Referee to check the law pertaining to the incident. No raised voice, this is a discussion among friends. If continuous errors are made, report the day, time, field number and what happened to the Referee Coordinator.

Standing Resolution XIII: Referee Incentive Guidelines

[Top...](#)

As Amended: January 22, 2015

Equipment, travel, training and continuing education requirements all add to the costs which a Referee must bear in order to keep his standing and competence at the highest levels. The Club, through these guidelines, provides a program which will help a Referee offset these costs associated with their service to the youth of the Club.

These guidelines are not to be construed to form an employer/employee relationship between the individuals who officiate games and the Club rather to institute guidelines which Referees affiliated with the Club may use to offset their associated expenses when volunteering their time and efforts to officiate games.

A. Competitive League Fee Schedule

Competitive League home games are scheduled by an outside organization, such as the Oklahoma Soccer Association (OSA) Sanctions Committee, where fee schedules may be in excess of the schedules described below, the home Coach shall obtain a signed receipt from the Referees who are paid in excess of the below guidelines, including compensation for mileage. Upon delivery of the signed receipt to the Treasurer, the Treasurer will deliver a check from the Club's General Fund to the Coach for the difference in fees between the Oklahoma Soccer Association (OSA) sanctioned guidelines and the Club's guidelines.

1. U11:	Center - \$17.00	Lines - \$12.00
2. U12:	Center - \$20.00	Lines - \$12.00
3. U13 & U14:	Center - \$26.00	Lines - \$15.00
4. U15 & U16:	Center - \$32.00	Lines - \$20.00
5. U17, U18 & U19:	Center - \$40.00	Lines - \$25.00

B. Recreational League Fee Schedule

Payment for Officials are handled through the Club's online vendor, using the following schedule:

1. U5 & U6:	No Referee	
2. U7 & U8:	Center - \$8.00	
3. U9 & U10:	Center - \$11.00	
4. U11 & U12:	Center - \$15.00	Lines - \$11.00
5. U13 & U14:	Center - \$20.00	Lines - \$12.00
6. U15 & U16:	Center - \$25.00	Lines - \$15.00
7. U17, U18 & U19:	Center - \$35.00	Lines - \$20.00

C. Abandoned Games

If the game is abandoned by the Referee due to unsafe conditions such as inclement weather, the Referee(s) shall retain the fee. If the Referee abandons a match due to unsafe conditions, and the Games Committee requires that the game be replayed, the Coach of the home team can request reimbursement for that game from the Treasurer. If the Referee abandons a match due to unruly behavior of the home Coach, Players or Parents, the Referee(s) shall retain the fees and the Club's will not reimburse the home Coach for Referee(s) fees, should the Games Committee decide that the games should be replayed.

D. Un-played Games

No fees shall be paid to the Referee(s) if a game is not started due to inclement weather or unplayable field conditions.

E. One Team Present

If only the home team and the Referee(s) are present at game time, the Referee(s) are paid and the Center Referee will record the failure of the visiting team to show. If only the visiting team shows, the Referee(s) will receive payment from the Club.

F. No Teams Present

If neither team is present at game time, the Referee(s) should notify the Referee Re-Scheduler. The Referee Re-Scheduler will determine who was at fault. In the event that the game has been rescheduled, and the Referee Re-Scheduler was not properly notified by the home Coach, then the home team shall be responsible for payment to the Referee(s). If the Club was at fault, (for example, the Re-Scheduler forgot to notify the Referee(s) of the canceled game) then the Club will pay the Referee(s).

G. Assignment of Officials

The Referee Coordinator shall rate each Referee according to the level of games that he/she is competent to officiate, and may employ the assistance of a Referee Assignor and/or a Re-Scheduler, in order to insure qualified Referees at all games.

The Referee Assignor, in consultation with the Referee Coordinator, shall be responsible for assignment of all Referees for all home games of the Club.

The only exception is for games in which the Referees are assigned by the Oklahoma Soccer Association (OSA) Competitive Commission Referee Committee.

The duties of the Referee Re-Scheduler, in consultation with the Referee Coordinator, are to obtain qualified officials for any rescheduled games and

notify the Scheduler of any changes in the original schedule. The Referee Re-Scheduler will work closely with the Referee Assignor and the Referee Coordinator to ensure that Referees are informed of their scheduled/rescheduled games.

The Club, through the Referee Coordinator, may contract out the Referee rescheduling task at a rate approved by the Board.

If no replacement can be found within a reasonable period of time the Technical Director of Coaching (DOC) shall assume the team until a replacement is secured.

F. Coaches Meetings

There will be a FCB Coaches Meeting after FCB Coaches have been selected but prior to the beginning of tryouts (May or June). The purpose of this meeting will be to remind FCB Coaches of pertinent Oklahoma Soccer Association (OSA) rules and discuss tryouts, team formation, and play ups with emphasis on the needs of FCB that take priority over the desires of any one FCB Team. In addition details concerning FCB Pre-Tryout camp will be discussed along with rules and regulations concerning dead week and recruiting limitations. All FCB Coaches will be required to attend this meeting.

G. Team Formation

Following the selection and notification of FCB Coaches each FCB Coach shall work with the Technical Director of Coaching (DOC) and Competitive Coordinator to establish a complete tryout schedule for their team. All FCB Teams will be required to schedule a tryout on the first day of the Oklahoma Soccer Association (OSA) designated tryout period. Additional tryout dates can be added during the remainder of the tryout period. Players can tryout for any team for which they are age eligible.

After completion of tryouts but prior to posting selections, the Technical Director of Coaching and/or Competitive Coordinator will compare proposed rosters of

FCB Teams to prevent overlaps of Players trying out and being selected by multiple age Teams. If there is no overlap, then selections shall be posted. The names of the members selected to the FCB Teams will be posted by the Competitive Coordinator or Secretary on the FCB website and passed to the Club for posting on the Club's website following the completion of the try out period.

If there is an overlap, the Technical Director of Coaching (DOC) and/or Competitive Coordinator will contact the FCB Coaches involved to discuss the overlap. At no time is either FCB Coach to contact the overlapping Player. Should the Coaches be unable to resolve the overlap, the Director of Coaching (DOC) and/or Competitive Coordinator will contact the Player and Parents of the overlap Player within twenty-four (24) hours. The Technical Director of Coaching (DOC) and/or Competitive Coordinator will indicate that the Player has been selected by more than one team and that the Player must choose a team and notify the Technical Director of Coaching (DOC) and/or Competitive Coordinator within twenty-four (24) hours. Once each roster is full with no overlap, team selections will be posted by the Competitive Coordinator or Registrar on the FCB website. This protocol may not cover all circumstances. Resolution of conflicts expressed (in writing) by Parents shall be handled by the FCB Committee.

The Competitive Coordinator is responsible for ensuring that the FCB Coaches notify all tryout applicants on their status with the FCB Team. Once the formation of a FCB Team has been determined, the FCB Coach shall notify each Player by telephone, email or a letter as set forth by the FCB Board.

Selected Players shall be informed that a signed the Oklahoma Soccer Association (OSA) Commitment form and the Club's registration fee must be provided to complete the selection for the Player to be a member of the team. Should the Player have intentions of trying out for another team, either in another age bracket or for another soccer club and does not return the Oklahoma Soccer Association (OSA) Commitment form as required by the Club by the last day of the tryout period, the FCB Coach may then replace this Player on their selected roster at their convenience. The FCB Coach shall then notify the Player of the decision.

Non-selected Player notifications should be handled in person or by telephone communications informing the Player they have not been selected for the original roster. This communication should thank the Player for their effort and time spent trying out. A FCB Coach should consider adding any insight to assist the Player in their development that they feel is necessary.

H. Non-Formation or Disbanding of a Team

If during the course of tryouts a FCB Coach feels he/she will not have a sufficient number of Players in the selected age division, the FCB Coach shall notify the Technical Director of Coaching (DOC) and Competitive Coordinator immediately. The Technical Director of Coaching (DOC) and Competitive Coordinator will then notify the FCB Committee and the Club's Board concerning their decision on the formation of the given team.

In the event of a team not forming in a given age division and the Players are eligible to play in another age division and the Players have not tried out for this age division, the FCB Coach in that age division shall be notified of available Players by the Technical Director of Coaching (DOC) prior to the end of the tryout period. It is the FCB Coach's decision as to whether or not these Players shall be selected in the tryout process.

I. Player Registration

The Competitive Coordinator will work with the Registrar to set a final registration deadline for the FCB Teams. FCB Team Managers must have all paperwork for Players selected to their FCB Teams in the Registration system and to the Competitive Coordinator and Registrar by this date.

Paper work includes all Registration fees, Player pictures, Birth Certificates, FCB annual assessment fees, etc. Paper work and payments not turned in by the established deadline will be subject to penalties, including late registration fees. Players will not be placed on a FCB Team roster until all registration documents are received. The Competitive Coordinator is responsible for providing the FCB Coaches, Team Managers and Players with the proper information, user-id's and passwords for registering their Teams. The Competitive Coordinator is responsible for overseeing the registration of FCB Teams with the Oklahoma Soccer Association (OSA).

FCB Teams are initially formed for one (1) seasonal year (Fall and Spring). In accordance with Oklahoma Soccer Association (OSA) by-laws and standing resolutions, Players can be added and dropped throughout the seasonal year. The FCB Coaches and/or FCB Team Managers shall coordinate all such activity through the Competitive Coordinator and/or Technical Director of Coaching (DOC).

All FCB Teams in the Competitive Division shall be named FC Bartlesville followed by the team year (example: FC Bartlesville 98). For age groups with multiple FCB Teams the team color will be assigned as Navy or White. The uniform colors for all FC Bartlesville Teams will be Navy and White with black and/or grey used as a practice colors. All uniforms will be of the same brand ordered through a source provided by the Club and/or FCB.

In addition to the Club Registration fees covering Oklahoma Soccer Association (OSA) Insurance and Registration, and Club expenses the FCB Teams and Players will be assessed an FCB Annual Fee to cover among other items, scholarships, equipment, Coach clinics, to be allocated for the benefit of the entire FCB Membership.

There will be an FCB Player Fee (payable monthly August 1 through and including May 1 of each seasonal year or in a lump sum at the option of the Player and his/her Parents) with a portion set aside for financing the cost of the Technical Director of Coaching (DOC). The portion of the monthly assessment designated as salary for the Technical Director of Coaching (DOC) must be approved in advance by the Club's Board. All funds received under this monthly assessment shall be reflected in the Technical Director of Coaching (DOC) salary fund on the books and records of the Club. The remainder of the monthly assessments collected will be used for the FCB Coaching staff including Goal Keeper training, a portion of tournament entries, referee fees, etc.

Standing Resolution XVII: **Conflict of Interest Policy**

[Top...](#)

As Adopted: April 7, 2015

A. Purpose

The Washington County Soccer Club (hereafter 'the Club') is a nonprofit, tax-exempt organization. Maintenance of its tax-exempt status is important both for its continued financial stability and for public support. Therefore, the IRS as well as state regulatory and tax officials view the operations of the Club as a public trust, which is subject to scrutiny by and accountable to such governmental authorities as well as to members of the public.

Consequently, there exists between the Club and its board, officers, and employees and the public a fiduciary duty, which carries with it a broad and unbending duty of loyalty and fidelity. The board, officers, and employees have the responsibility of administering the affairs of the Club honestly and prudently, and of exercising their best care, skill, and judgment for the sole benefit of the Club. Those persons shall exercise the utmost good faith in all transactions involved in their duties, and they shall not use their positions with the Club or knowledge gained therefrom for their personal benefit. The interests of the organization must be the first priority in all decisions and actions.

B. Persons Concerned

This statement is directed not only to officers, but also to all employees who can influence the actions of the Club. For example, this would include all who make purchasing decisions, all persons who might be described as "management personnel," and anyone who has proprietary information concerning the Club.

C. Areas In Which Conflict May Arise

Conflicts of interest may arise in the relations of directors, officers, and management employees with any of the following third parties:

1. Persons and firms supplying goods and services to the Club.
2. Persons and firms from whom the Club leases property and equipment.
3. Persons and firms with whom the Club is dealing or planning to deal in connection with the gift, purchase or sale of real estate, securities, or other property.
4. Competing or affinity organizations.
5. Donors and others supporting the Club.

6. Agencies, organizations and associations which affect the operations of the Club.
7. Family members, friends, and other employees.

D. Nature of Conflicting Interest

A conflicting interest may be defined as an interest, direct or indirect, with any persons or firms mentioned in Section 3. Such an interest might arise through:

1. Owning stock or holding debt or other proprietary interests in any third party dealing with the Club.
2. Holding office, serving on the board, or being otherwise employed (or formerly employed) with any third party dealing with the Club.
3. Receiving remuneration for services with respect to individual transactions involving the Club.
4. Using the Club's time, personnel, equipment, supplies, or good will for other than the Club approved activities, programs, and purposes.
5. Receiving personal gifts or loans from third parties dealing or competing with the Club. Receipt of any gift is disapproved except gifts of a value less than \$50, which could not be refused without discourtesy. No personal gift of money should ever be accepted.

E. Interpretation Of This Statement of Policy

The areas of conflicting interest listed in Section 3, and the relations in those areas which may give rise to conflict, as listed in Section 4, are not exhaustive. Conflicts might arise in other areas or through other relations. It is assumed that the directors, officers, and management employees will recognize such areas and relation by analogy.

The fact that one of the interests described in Section 4 exists does not necessarily mean that a conflict exists, or that the conflict, if it exists, is material enough to be of practical importance, or if material, that upon full disclosure of all relevant facts and circumstances it is necessarily adverse to the interests of the Club.

However, it is the policy of the board that the existence of any of the interests described in Section 4 shall be disclosed before any transaction is consummated. It shall be the continuing responsibility of the board, officers, and employees to scrutinize their transactions and outside business interests and relationships for potential conflicts and to immediately make such disclosures.

F. Disclosure Policy & Procedure

Transactions with parties with whom a conflicting interest exists may be undertaken only if all of the following are observed:

- 1.** The conflicting interest is fully disclosed;
- 2.** The person with the conflict of interest is excluded from the discussion and approval of such transaction;
- 3.** A competitive bid or comparable valuation exists; and
- 4.** The board has determined that the transaction is in the best interest of the organization.

Disclosure in the organization should be made to the President (or if she or he is the one with the conflict, then to the First Vice President), who shall bring the matter to the attention of the board.

The board shall determine whether a conflict exists and in the case of an existing conflict, whether the contemplated transaction may be authorized as just, fair, and reasonable to the Club. The decision of the board on these matters will rest in their sole discretion, and their concern must be the welfare of the Club and the advancement of its purpose.
